

Stellar Health Care

IS CLOSER THAN YOU THINK

SOONERSELECT OPEN ENROLLMENT • MAY 1-JUNE 13, 2025

SoonerSelect

American Indians/Alaskan Natives (AI/AN) on SoonerCare can opt in to SoonerSelect. It includes the services you're already receiving, plus more benefits.

How is SoonerSelect different from SoonerCare?

SoonerSelect includes the same core services that SoonerCare offers but it also offers extra benefits — things like money for groceries or 24/7 access to a dentist. And you can still receive services from a primary care Indian Health Care Provider.

How do I opt in?

Explore the plans at MySoonerCare.org or call the SoonerCare helpline at 800-987-7767, option 5. A choice counselor can help you navigate the plans and enroll.

You can opt in through June 13. Health and dental are separate, so be sure to opt into each plan you'd like to be in.

What if I want to opt out?

You can disenroll at any time for any reason.
